

## *School Supply Fundraiser for ABC School (Your School Name)*

The School **PLUS** Program by Office City in conjunction with your school is offering an exciting new fundraiser for your school.

Parents will love the **ease and convenience** of making a purchase for most their student's school supply needs before the coming school year (2009/2010 term).

- **Office City/ABC School will provide the items needed to fulfill your schools supply list requirements** for your school.

### *This is a valuable service for parents:*

Shopping for "Back to School Supplies" the first day of school is a hazzle. Now parents & students save valuable time by pre-purchasing most of the school supplies. Now there is no need to go store to store trying to find supplies, fighting crowds, traffic & other parents looking for supplies. You can do it ahead of time with Office City & your school.

The cost is comparable to the discount department stores and will average \$15 to \$40 depending on the content of the teacher approved supply list.

### *Here's how it works:*

1. We get the supply lists and customize each Tool Box based upon grade level and teacher's requirements.
2. When classes begin, everyone will be ready for school with the supplies being delivered directly to the school, your teacher will pass out supplies to those who participated.
3. Flexible payment methods are accepted in the form of cash, check, or credit card (Visa, Master Card, and Discover) to Office City or to your school.
