

## Brands known and trusted around the world

From kids to professionals, great products for every need

Since Sanford's inception in 1857, the keystone for our success has been innovation and quality. From a small company producing and marketing inks and glue, we've grown to be the leading manufacturer of writing instruments. Today, we offer a wide variety of familiar brands, which are relied upon by kids to professionals, young and old alike.

*Sharpie*®

The #1 permanent marker world-wide! Mark almost anything with bright, lasting color! Sharpie® Marker's tough, resilient tip produces a quick ink flow that dries fast, resists water and stays permanently on most surfaces.

*Sharpie* ACCENT  
HIGHLIGHTER

Learning is hard work, and Sharpie Accent® products can simplify your quest for knowledge. Whether you're an office worker, business person or student, time is a precious commodity. By highlighting information that's most important to you, Sharpie Accent products save you valuable time.

Paper Mate® products combine innovative technology with advanced ergonomic design. An essential and indispensable communication tool in today's high tech world. For a smooth & comfortable writing experience.

Write it on, wipe it off. EXPO® dry erase products are America's #1 choice. Whether you work in a classroom, office, or at home, EXPO products exceed the most demanding standards. EXPO adds color and impact to presentations, and EXPO works just as hard at home on your message board. EXPO, the gold standard in dry erase.

Embrace the absolute comfort of a uni-ball® pen for a truly smooth writing experience. uni-ball Roller was the first metal point roller pen and still the undisputed preferred choice. As smooth and responsive as a high quality fountain pen without the mess. Our distinctive, contemporary designs deliver a reliable, smooth writing experience. uni-ball makes you feel great about writing.

DYMO® is fast-becoming the worldwide leader in providing innovative labeling solutions that help people organize and identify their world: home, office or worksite.

DYMO offers a complete range of products, from simple embossers, manual label makers and desktop products to industrial portables and computer-connected products. And DYMO label makers offer diverse functionality, including: bar coding, address checking, and much more.

Rolodex® is the organizational authority when it comes to innovative, easy-to-use products for the home, office and in transit.

When you think of managing your business cards, you undoubtedly think Rolodex. For more than 50 years, we've helped you network to your next promotion, kept important numbers at your fingertips and to stay connected with what matters to you. As your eyes behold one of these fine writing instruments, their sophisticated appearance alone will whisper to your soul, urging you to write eloquently. Distinctive instruments that embody a professional image. Parker® exquisite designs and comfortable form enhances the function of this finely crafted line of writing instruments. Writing with a Parker pen is an experience beyond words.

**WATERMAN®**

Lewis Edson Waterman invented a fountain pen in 1883 that was superior to all others available, because it didn't leak. More than a century later, Waterman® retains its reputation for creating exceptional, distinctive writing instruments. Designed with technical excellence and quality craftsmanship, Waterman offers a full range of styles to suite your discriminating tastes. Whether you prefer traditional or contemporary styling, simple elegance or ornate detailing, Waterman is the quintessential choice.

**PRISMACOLOR**

Artist and designer input has lead to Prismacolor® products' design and incredible, reliable performance. With proven strength and a full range of brilliant of colors, professionals depend on Prismacolor art products. Prismacolor's product line includes art markers, pastels and the world's leading brand of professional art pencils.

Our global vision is to be the consumer's preferred choice worldwide in correction products by offering world- class innovation, quality, value, and service.

You'll discover a wide variety of home and office organization products, with brand names like Eldon, Rolodex, Rubbermaid & Rodgers.
